Year 2: Bilal and Dylan
Year 3: Maisie and Amber
Year 4: Esme, Haris and Abdul
Year 5: Charlotta, Aayan and Rex
Year 6: Esther, Annabell and Danyal

Parent Information

Welcome to the fifth edition of the William Law Weekly of 2026-27. In each weekly letter, we shall share important information as well as celebrate the successes of the children across the school. We hope that you find this information useful and helpful.

Choir

Well done to pupils in the school choir across key stage 2, who participated in singing at Peterborough Cathedral for the Annual Education Service on Wednesday 7th October. We were one of five schools who sang out of 103 schools from across the Diocese. Thank you to Mrs. Moorhouse for supporting the children with the preparation for this event and accompanying them on the day. The children sang beautifully and represented the school well. We are incredibly proud of everything they have achieved.

Stay and Learn-Reading

It was wonderful to see so many parents in school this week whilst you were attending the Stay and Learn sessions focused on reading. We hope it was insightful on how we support children to read using their phonics and other essential skills as they progress. Additionally, we hope this supports you with your child's reading at home through the parent and teacher discussions before the session.

Children's achievements outside of school.

If your child has achieved something outside of school, we want to celebrate this with the whole school community. This can be a swimming award, music/sports competition or anything else that your child has achieved and being awarded with a certificate, medal, or trophy. If your child has had such achievement, they can bring in their medal, certificate or trophy to be shared in Celebration Worship. These are on Tuesday for Key Stage 1 and Friday for Key Stage 2. Please

encourage your child to share this with their class teacher who will then make the teacher leading worship aware so this can be shared.

School Lunches

If you order your child lunch and they no longer require a meal, please make sure you cancel this before 9am on the day. The waste in the kitchen has increased significantly because some children are changing to packed lunches on the day. This means the kitchen cooks more food than required. If your child is in key stage 1 or receives free school meals, this is particularly important to select that no meal is required if your child brings a packed lunch on that day instead.
